

# JOB OPENING RETAIL CLERKS

Water's Edge Resort is currently operating and developing a resort in Bear Lake. We have a fun, youthful atmosphere, flexible schedules & hours, and lots of fun in the summer in Bear Lake!

We are looking for a highly motivated individual to join our team at Water's Edge Resort. This person will work in our awesome Surf Club and even yumier Candy Co. The successful candidate would be willing to work long hours & weekends during our busy summer season. Because that's when we are open, and we sell all the things!

## **Responsibilities include:**

Wearing a really cool uniform. This will help you encourage sales and get the tourists to buy all of our cool stuff. You'll have to learn to use our POS (that's point of sale) – the cash register! to ring up all the purchases. You will probably be asked to re-stock shelves, price things out, and sometimes sample the goods, just so you know what to recommend to our guests. All while hanging out at the coolest place in Bear Lake that is not the lake itself.

You will work directly with the supervisor to ensure a great experience for all of our guests and employees!

## **Qualifications:**

We are looking for fun, energetic team members who want to live in a resort town, work their butt off for summer, and have a great time doing it! You need to be punctual (means on-time), experience would be nice.

## **Perks:**

-Employee discounts across all Water's Edge Resort businesses, including discounted food at Cody's Gastro Garage. (Yum!) We have weekly outings on the lake, and plenty of room for advancement. Employee housing may be available.
